## PROFESSIONAL SUMMARY

Motivated and detail-oriented web designer and developer with experience in both front-end and back-end development. Strong background in Python programming and web technologies, with additional expertise in multimedia editing. Passionate about teaching and mentoring students in programming and web development. Seeking opportunities to apply technical and instructional skills in innovative environments.

## EDUCATION

**K.N.Toosi University of Technology**  
**Instructor: Dr. Karim Alizad ([alizad@kntu.ac.ir](mailto:alizad@kntu.ac.ir))**

Bachelor of Engineering, Civil Engineering

## WORK EXPERIENCE

**January 2025 - Present**

### Web Designer

Director: Mohammad Javad Ostad Mirza Tehrani  
([mohammad.tehrani@kntu.ac.ir](mailto:mohammad.tehrani@kntu.ac.ir))  
Water Matters Laboratory (WML)

- Designed and maintained the laboratory's website for enhanced user experience.
- Developed UI/UX strategies to improve accessibility and engagement.
- Implemented responsive web designs using modern frameworks.

**April 2024 - Present**

### Web Designer & Web Developer

Director: Karim Alizad ([alizad@kntu.ac.ir](mailto:alizad@kntu.ac.ir))  
Sustainable Hydro-Environmental Systems (SHENS) Lab

- Developed and maintained dynamic websites for research projects.
- Utilized React.js, Node.js, and Tailwind CSS for efficient web development.
- Managed website optimization and performance enhancement.

## February 2025 - Present

### Teacher Assistant - Python Programming Language

Supervisor : Naimeh Sadeghi (sadeghi@kntu.ac.ir)  
K.N.Toosi University of Technology

- Assisted in teaching Python programming fundamentals.
- Provided support to students through coding exercises and problem-solving.
- Conducted practical sessions to reinforce theoretical concepts.

## January 2024 - June 2024

### Teacher Assistant - Basic Web Development (HTML, CSS, JS)

Supervisor : Naimeh Sadeghi (sadeghi@kntu.ac.ir)  
K.N.Toosi University of Technology

- Supported students in learning foundational web technologies.
- Evaluated assignments and provided constructive feedback.
- Assisted in organizing hands-on coding workshops.

## July 2024 - September 2024

### High School Teacher - Project-Based Python & Arduino Learning

Rahyar Educational Complex

- Designed and delivered courses for beginner to advanced levels.
- Guided students in developing real-world projects using Python and Arduino.
- Encouraged creative problem-solving and critical thinking in programming.

---

## TECHNICAL SKILLS

### Programming & Web Development

Python, JavaScript, React.js, Node.js, Tailwind CSS, Bootstrap, WordPress

### Design & Multimedia

Adobe Premiere Pro, Adobe Photoshop, Adobe After Effects
